Manager Biography

Stephanie Larson since 2/12/2020

Stephanie is a Bay Area native and has lived and worked here for most her life. She attended St Mary's College graduating with a BS in Business Administration and Economics. After which she pursued her advance degree in London at the University of Westminster achieving her MSc in International Business Economics. Stephanie has worked in the investment management industry for the past 15 years for some of the largest firms in the industry; Robert Stephenson, Fisher Investments, Bank of the West/BNP Paribas, and Zions Bancorp. Most recently before joining Winans Investments, Stephanie was a Senior Risk Consultant with Franklin Templeton. In that role she led the development of the equity platform risk analytics and research. She partnered with the EVP of Risk and the CIO to create enterprise equity analytics on \$450B in assets. Stephanie also spearheaded the development and implementation of the equity sell discipline across all equity groups utilizing quantitative portfolio optimization techniques. Stephanie has recently joined Winans Investments as the Portfolio Manager. In this role she will be responsible for investment research, portfolio implementation, performance, and analytics. She will bring her vast experience and knowledge to the investment team. Previous roles include Performance Manager, AVP of Portfolio Analytics, Senior Investment Analyst, and Head of Investments and Research. Stephanie is also highly involved in the Marin community where she resides. She is raising her two young sons in Novato. Her husband is a Bay Area fireman as well and a Marin native. She has coached high school girls' basketball for 17 seasons, including at her alma mater Marin Catholic. Her family also has a charitable foundation that puts on an annual charity basketball tournament at Marin Catholic to raise money for scholarships for underprivileged students to attend MC.

Performance Disclosure

The Overall Morningstar Rating is based on risk-adjusted returns, derived from a weighted average of the three-, five-, and 10-year (if applicable) Morningstar metrics.

The performance data quoted represents past performance and does not guarantee future results. The investment return and principal value of an investment will fluctuate; thus an investor's shares, when sold or redeemed, may be worth more or less than their original cost.
